

Reach over 160,000 Physicians and Healthcare Practitioners

- **Gain Sales Leads**
- **Promote New Products**
- **Demonstrate Product Credibility**
- **Increase Your Website Traffic**
- **Create and Build Brand Awareness**

The Age Management Medicine e-Journal is emailed monthly to a highly targeted and eager audience who are a part of this fast growing segment of medicine. In the years ahead the healthcare professional will be faced with an aging patient base that will require a steady stream of information on new medical procedures, therapies, products and services. This Journal provides our audience with valuable scientific, medical and industry information with analysis that is relevant and vital to their practice and the health of patients.

E-newsletters can be an essential marketing tool for your company. Incredibly powerful with immediate response they provide direct, must read information to buyers. They are an efficient and effective resource for frequent contact with your current and potential customers.
