e-Journal of
AGE MANAGEMENT MEDICINE

The **E-Journal of Age Management Medicine** (Editor, Jeff Morris) is published bi-monthly by AMMG. Now in its 17th year, this electronic publication is designed to introduce readers to the specialty of Age Management Medicine, whether they are healthcare professionals familiar with this proactive, preventative approach who have already incorporated it into their practice, or are among those interested in doing so. We acknowledge the medical professionals who have pioneered in this area, and our goal is to provide them and those who will follow in their footsteps with a reliable source of cutting edge news, practical advice and relevant information about Age Management Medicine—with the goal of superior patient care, increased practice revenue and greater job satisfaction. Your comments or suggestions are welcome at journal@AgeMed.org.

CALL FOR ARTICLES AND PAPERS

The **E-Journal of Age Management Medicine** encourages and invites authors interested in submitting articles for publication to email us at journal@AgeMed.org.

Specifications: Articles should be **non-commercial** and must be related to Age Management Medicine. Those articles offering clinical perspectives or original research are given priority. Articles should be submitted in an electronic format, preferably in Microsoft Word as an attached file. Articles of extreme length may be split and published as multi-part articles. Please limit or exclude graphics. Articles should include a short biographical sketch of all listed authors.

Provisions: AMMG retains the right to refuse any article that we determine to be outside our editorial mission or inappropriate for this publication. AMMG may approve selected articles for reprinting in other publications, providing proper accreditation to the original author(s).
