

Marketing Opportunities for AMMG Sponsors

April, 2024 Conference

We are excited to once again share with you some ideas to gain additional exposure for your company at our upcoming AMMG Medical Conference.

The offerings below should allow for participation at most budget levels. If you have other suggestions – please, just ask. If we can, we will be happy to work with you on them.

Banner Ad in the Pre-conference eBlast sent to all attendees	A dedicated eBlast is sent to all attendees just prior to the conference that promotes the exhibitors and exhibitor sponsored functions. Include a banner ad highlighting your participation and gain attendee recognition. Cost is \$495.
Promotional Hand Out Delivered to Attendees Hotel Room	The National Doral Miami Resort & Spa can deliver your marketing piece to each attendees room. A great way to create awareness from the start. Please contact us for details and costs. Items must be pre-approved by AMMG.
Host a Breakfast, Lunch, Private Symposium or Reception	Host a non-CME event at the conference. Several options are available. Must be a Silver level sponsor or above. Please contact us for details and costs.
Host an Attendee Break	An opportunity to position yourself close to the attendees as they access the break area. Sponsor may provide signage and/or literature to be displayed at the break area. Your staff may also be on hand to greet attendees as they get their refreshments. Cost is \$400 per break.
Other Promotional Ideas?	Reach out to us at ewells@agedmed.org .
